ORDER

WOLF, D.J. November 16, 2006

_____On December 10, 2004, pro se plaintiff Loc Nguyen filed a complaint in this court alleging defendants wrongfully terminated her. On August 14, 2006, this court found that it lacked subject matter jurisdiction to hear plaintiff's case and issued a Memorandum and Order directing the plaintiff to show cause by September 11, 2006 why this action should not be dismissed for lack of subject matter jurisdiction.

The filing that plaintiff made on August 17, 2006 explains the process by which her complaint was filed and the fact that plaintiff is indigent. It includes no facts that indicate that this court has subject matter jurisdiction over her claims.

Accordingly, for the reasons set forth in the Memorandum and Order dated August 14, 2006 (Docket No. 12), it is hereby ORDERED that the this case is DISMISSED without prejudice to the claims

it includes being pursued in the courts of the Commonwealth of Massachusetts.
